Subject: New Educator Preparation Program – Blended and Online Teaching License Addition

After reviewing all feedback received from new program reviewers and, pursuant to 511 IAC 13-1-1, Sec. 1, (d), the Indiana Department of Education (IDOE) recommends that the Indiana State Board of Education approve the following new program:

- **Indiana University Bloomington – Blended and Online Teaching License Addition**

As a reminder, Blended and Online Teaching is not a stand-alone program for initial licensure. It can only be added to an existing, valid instructional license and applies to the grade setting on the license only (511 IAC 15-6-26).

IDOE will continue to monitor the progress of the above program by reviewing all annual reports required of each institution, including annual candidate performance data submitted to IDOE.
